BIBLE STORY:

Around seventy years have passed since the fall of Judah and the Jewish people had been taken as prisoners to Babylon. At last they realized that they had been disobedient to God. They asked God's forgiveness for their sins and returned to serving only God.

Around this time, King Cyrus of Persia has conquered Babylonia and declared that all the Jews could return to their home in Jerusalem and reconstruct the Temple. But not all the Jews wanted to return.

FIRST RETURN: *TEMPLE REBUILT*

The first group of 42,360 Jews returned to Jerusalem. When they arrived, they saw the walls around the city fallen, the poverty of the people and the burned Temple. The first thing they did was to construct an altar and gave thanks to God for their safe return. Then they began reconstructing the Temple. As they worked there were many difficulties and their enemies worked against them. But finally the reconstruction of the Temple was completed and the people joyfully dedicated it to the Lord.

SECOND RETURN: *EZRA*

Around eighty years passed since the first group's arrival. King Artaxerxes was now king of Persia. Ezra was allowed to lead a second group of Jews from Babylon to Jerusalem. Ezra dedicated his life to study and practice the Law of God and taught all the commandments to the people of Israel. When arriving in Jerusalem, he saw that once again the Jews were disobeying God. Ezra ripped his clothes and cried in front of the Temple. As he prayed, he confessed the sins of Israel, admitting to God the things that

their ancestors and the Jews living in Jerusalem were doing wrong. Others joined Ezra, crying, confessing their sins, and asking God for forgiveness. They promised to be faithful in serving God.

THIRD RETURN: *NEHEMIAH*

About fourteen years passed since the second group's arrival. The Jew Nehemiah was the cupbearer to King Artaxerxes in Babylon. One day as he was serving the king wine in a cup, the king saw that Nehemiah was very sad. He asked, “*Why are you so sad?*” Nehemiah told him about the difficulties in Jerusalem, the fallen wall around the city and the burned gates. He asked the king for permission to rebuild the city walls. The king agreed.

So Nehemiah led a group back to Jerusalem. The reconstruction of the walls and gates was very difficult. There was little money, food, water and clothing. The enemies of the Jews tried to stop the construction. In fact, the Jews would hold a weapon in one hand while working on the walls with the other hand. They trusted in God and helped one another. With Nehemiah's leadership and God's protection, they finished reconstructing the walls around Jerusalem in fifty-two days!

The Jews united in Jerusalem and Ezra read the Book of the Law of Moses. These were the laws that God gave Moses. Afterwards, the Jews dedicated themselves to faithfully obey, serve and worship God.

From the end of the Old Testament to the beginning of the New Testament four hundred years would pass without another prophet from God. The Jews waited for the promised Messiah.
