

DEVOTION: "HELPING OTHERS"

BIBLE STORY: "Paralytic Man Healed"
BIBLE TEXT: Luke 5:17-26

INTRODUCTION: Explain the background of the story, such as: "Several people came from nearby villages to the home where Jesus was teaching. In those days, many homes had steps outside the house, going up to the roof. In the cool of the evenings, people would sleep on the roof. The story is about a paralyzed man; he was unable to walk."

BIBLE STORY: Use your own words as you tell the Bible story in chronological order.
Option: If you wish, you can use actions while telling the story. This story is prepared to be repeated three times in one setting:
 1st Tell the story, using actions. (Listeners do not do the actions.)
 2nd As you retell the story, the listeners will do the actions with you without speaking.
 3rd Let each one think about the story as the story is retold the third time only using actions.

ORDER	ACTION (Option to use)	TELL THE BIBLE STORY
1 st	■ Walk with hands extended, as if carrying someone.	There were four men who carried the paralytic man on a mat to Jesus. However, when they got to the house, they couldn't enter because of the huge crowd. There was no room for them!
2 nd	■ Walk and repeatedly move hands upward, one on top of the other, as if going up the stairs.	So the men carried the paralyzed man up to the roof.
3 rd	■ Hands are down; several times lifting them upward as if taking tiles off a roof.	There they took away some tiles. Through the opening, they carefully lowered him on his mat and placed him in front of Jesus.
4 th	■ Put both hands to your heart.	Jesus looked up and saw the faith of the men. Then Jesus looked at the paralyzed man and said, " Your sins are forgiven. "
5 th	■ Put both hands on hips and turn to side.	"The religious leaders said, " Only God can forgive sins. "
6 th	■ Put hand on chin, pondering.	Jesus replied, " Is it easier to say 'Your sins are forgiven' or to say, 'Get up and walk'? "
7 th	■ Point to the floor to the paralytic man	Jesus told the paralyzed man, " Get up, pick up your mat and go home. "
8 th	■ With knees bent, rise upward.	The man immediately got up,
9 th	■ Pretend to pick up a mat and throw it over your shoulder.	picked up his mat and
10 th	■ Walk as if going home and then raise one of your arms (the arm not carrying the mat).	went home, praising God because he was healed!
11 th	■ Make a big circle with your hand and then raise both arms upward.	All the people were amazed and praised God.

* Do not use shadowed areas (5th and 6th) with young children.
